<b>TRAFFIC GROUP</b>	Cllr Tee	
Discussion	<p>The Highways Improvement Plan had been viewed by KCC and proposed a visit once the lockdown had been eased. Due to pressure of work this would now be after March 2021 A copy of the HIP is on the Parish Council website.</p> <p>The footpath behind the village hall was being used as a shortcut for young off-road bikers. Mr Solley was amenable to having the fence replaced and a gate added but this would be after harvest time.</p> <p>The nuisance motorbikes were a county wide problem. It was discussed that CCTV might be a possible way to catch the riders. Mr. Plumptre has given permission to site CCTV on his land. There was a piece in the Community magazine from the PCSO regarding the current situation with riders. Two had been issued with Section 59 orders which means that if they are caught again their motorbikes would be seized. Another case was coming to court soon. Video from a resident enabled the PCSO to identify this rider. A camera has now been purchased and would be a mobile unit.</p> <p>The Speedwatch team would shortly be re-starting. Volunteers required, please.</p> <p>There is now a dedicated website for traffic issues through Nonington:  <a href="http://nonington.traffic.nabob.co.uk/">http://nonington.traffic.nabob.co.uk/</a> </p>
