

## Explanation of significant variances in the accounting statements – AGAR Section 2

Parish Council name: NONINGTON PARISH COUNCIL

**Please explain any variances of more than 15% between the totals for individual boxes in Section 2.** We do not require explanations for variances of less than £200; however, in some cases there may be ‘*compensating*’ variances which leave the overall total for a box relatively unchanged – e.g. where there was a major one-off project in one year (e.g. contribution to village hall extension of £30,000), but a totally different expense of a similar size in the next (e.g. purchase of playground equipment of £28,000). In such cases, it would be helpful to provide an explanation of movements within each box. We also ask you to explain any change where there is a movement to or from zero. Please either use the proforma below, or complete a separate schedule if more space is required.
