PRIMA SITE	Cllr Tee		
Discussion	<p>DDC had not been in contact since the last meeting.</p> <p>Cllr Manion said that a Neighbourhood Plan was a lengthy process that would take several years to complete and would require 51% of the residents to agree to it. He also stated that Prima was a brownfield site and was therefore a typical site for development as part of Government policy. The paddock attached to it may be a better option for any objections to development.</p> <p>Cllr Plumtre had produced a flyer to be distributed to all residents to get their opinions. There was a discussion about the actual wording and a revised flyer was being considered. Once agreed it would be distributed and a special meeting for all parishioners would be called one Saturday in February.</p> <p>A parishioner stated that College Cottage was 'Under Offer'.</p> <p>Cllr Plumtre said she would meet with Mill Lane residents to see the site for herself.</p>
